

A. Romney To Study In Arabia

A BYU dean has been appointed to a national committee of six to study higher education in the United Arab Republic.

DR. ANTON K. ROMNEY, dean of the College of Education, was elected by the American Association of Colleges for Teacher Education.

The committee will spend four weeks in the UAR in April studying teacher education and trying to bring about a better understanding between the U. S. and UAR, said Dean Romney.

A MEMBER of the Comparative Education Association, Dean Romney has spent a great deal of time studying the educational systems of various countries.

In 1958 he served on a team which investigated Russia's educational system. "The Changing Soviet School" was the book which resulted from this study.

He helped to write the analysis. Dean Romney studied higher education problems in Japan and Korea in 1959, in Russia on a return trip in 1960 and in ten of the newly formed African nations.

Anton K. Romney

To the rescue of Larry Spencer who passed out from studying so hard for finals are members of the Alpine Rescue Team, Craig Young and Doug Calder, front, and

Bob Quist and Craig Brown, Onlookers have pity for the old guy but if they don't watch out they may end up in the same state.

Photo by Leo.

Too Many Finals?

See Alma King

Students having more than three final examinations in one or two of them, according to Alma King, director of Personnel Services.

Mr. King said students should come to his office, B-202 Smoot Administration Bldg., to fill out the necessary forms for re-scheduling.

O-Negative Blood Needed by Father

Father of three small children, Kevin Burns will need 20 pints of O Negative blood January 30. Blood is urgently needed for Mr. Burns, who is to undergo open heart surgery on that date.

The blood can be donated in Salt Lake City, Tuesday at the LDS Hospital. O Negative donors are urged to call Dr. Lynn Eric Johnson at Ext. 2867 or 373-0653 to make arrangements for rides.

41 Registration ...

Evening Classes Offered in Various Departments

Registration for second semester evening school classes at BYU is scheduled for Feb. 4 and 5 from 8 a.m. to 9 p.m. at the Clark Student Service Center.

Anyone who is 19 years old or a high school graduate is eligible to apply, and counselors will be on duty during registration to assist enrolling students, according to Evening School officials.

COURSES will be offered in accounting, art, bacteriology, botany, business education and office management, business management, chemistry, civil engineering, dramatic arts, economics, education, English, geography, geology, health, history, horticulture, housing and home management, human development and family relationship and humanities.

Also included will be industrial education and drawing, journalism, languages (Chinese, French,

German, Japanese, Norwegian, Russian and Spanish), library science, mathematics, music, physical education, physics, political science, psychology, recreation, religion, sociology, speech, statistics, genealogy technology and zoology.

REGULAR college credit equivalent to daytime classes is given for all evening school classes. Classes also may be audited on a non-credit basis.

Veterans may enroll under the G. I. Bill if they meet the eligibility requirements of the Veterans' Administration.

Two Fires Hit Women's Hall

Two unexplainable small fires broke out Tuesday in one room of Budge Hall, women's dorm in Solman Hall. The first fire was limited to a burning wastebasket, but the second swept up the wall from the desk, damaging the wall and ceiling and burning drapes and personal possessions.

THE FIRES were in the room occupied by Clyden Ballou and Sue Jensen. Neither were at home at the time of the fires. The first was discovered about 4 p.m. by Ellen Blacker, who rooms across the hall, when she smelled smoke and opened the door to find the blazing wastebasket. It was doused with no damage.

About 9 p.m., Miss Blacker smelled smoke again. She saw a glow under the door of the room opened it to find the drapes blazing. The fire was extinguished before the Provo Fire Department arrived.

Arlie S. Ballif has been elected president of the BYU Employees Federal Credit Union, succeeding Dean A. Peterson. Elections took place Monday evening following the Credit Union's annual meeting and banquet.

A five per cent dividend paid on 1962 savings also was announced at the meeting held in the Joseph Smith Ballroom.

OTHER new officers elected at the meeting were Lee B. Valentine, vice president; Marlon Bennion, secretary and Elizabeth L. Porter, retained as treasurer and manager.

Elected by acclamation to the board of directors were Hilton A. Robertson, Chauncey Riddle and Marlon Bennion. Voted to the credit committee, also by acclamation, were Ivan L. Corbridge and Alonzo J. Morley.

Special citations were presented to Dr. Harvey L. Taylor, BYU vice president, for support of the Credit Union, and to the following individuals who have served as organization presidents: Brian S. Jacobs, Mark K. Allen, Virginia Poulson, Neal McKnight, John L. Smith and Dr. Peterson.

UNDER chairmanship of Clawson Cannon, a special program was presented by Harold R. Lay-

Assault On Hays' Wife Cancels Talk

Brooks Hays, special assistant to President John F. Kennedy, will be unable to address Wednesday (devotional due to an assault on his wife by a Negro prowler Monday evening).

THE PROWLER broke into the Washington, D. C. home of the couple and attacked Mrs. Hays. After beating her and threatening her with a pair of scissors he fled taking money from the house and leaving Mrs. Hays with a broken wrist.

Mr. Hays is unable to leave Washington due to his wife's present physical and emotional condition.

A Southerner he has long been noted for his struggle to extend education and economic benefits to Negroes in the South.

Replacing Mr. Hays as Devotional speaker will be David Yarn, professor of Theology and Philosophy at BYU. He will speak at 10 a.m. in the Smith Fieldhouse. The public is welcome to attend.

Out-dated Licenses

Welcome \$5 Fine

Motorists having out-dated license plates on their cars are risking a \$5 fine.

Last year's plates expired Dec. 31. Utah plates must be renewed by Feb. 28. California plates must be put on by approximately April 1. Arizona plates are due for renewal Feb. 1. Idaho plates have been due since Jan. 16, according to the Provo Police Department. Traffic officers issue no warnings to offenders, so renew plates or pay, police warned.

Ballif Credit Union Head

cock of the music department, Wesley Burnside of the art department and Charles L. Metten, dramatic arts.

Richard D. Poll was general chairman of the annual meeting.

Membership in the Credit Union is more than 2100 with annual loans of more than \$1 million. It was announced by Mrs. Porter.

Arlie S. Ballif

Orbiting the Universe...

PARIS — Germany and France have signed a historic treaty of cooperation which is designed to serve as the cornerstone for closer union of Western Europe. President Charles DeGaulle and Konrad Adenauer signed the treaty, agreeing to cooperate closely in politics, defense, foreign aid, culture, science and education.

MOSCOW — The official Soviet News Agency Tass accused France of deliberately trying to foil a nuclear test ban treaty. The reference was apparently to President DeGaulle's determination to develop an independent nuclear force. Soviet Premier Nikita S. Khrushchev earlier said in a letter to President Kennedy the USSR would permit three on-site inspections per year to enforce the projected treaty. The United States insists eight to ten such inspections are necessary.

PARIS — French Defense Minister Pierre Messmer said France must have its own nuclear deterrent because there is no guarantee the United States would defend Europe with its same determination it displayed in the Cuban crisis. He reiterated French determination to keep the independent nuclear force out of NATO.

by United Press International

These are some of the Frosh who will see action in tonight's game when the Kittens will take on Snow College. They are Jeff Congdon (23), Tom Dunlap (31) and Dick Nemelka (20). Sportswriter Stan Hodge will cover the game in person for the Universe.

Kitten Hoopsters Battle Snow College Tonight

by Stan Hodge
Universe Sports Writer

The Brigham Young University Kittens will take on Snow College at Ephraim, Wednesday evening in what is expected to be a repeat of the tilt in Provo a week ago.

IN SUITE of the losing effort to the University of Utah last Saturday (79-69), the BYU frosh hope to occupy the favorite role they have become accustomed to. With their eye pricked by the scaling received at the hands of the Indians, the Kittens are expected to have "all systems go" for the 8 o'clock tilt at Ephraim tonight.

Couch Whitbeck expects to play the Snowmen much the same as he did when they were the Y's guests. Fans will remember that the Kittens had no trouble downing this squad as the starting

five played for only about 18 minutes, defeating them 99-57.

LEADING the starting quintet will be the vastly improved Dick Nemelka, from West High in Salt Lake City. While the Kittens lost last Saturday's game, Nemelka came out on top of the scoring heap with twenty points and key defensive work.

Along with Dick in the back court will be basketball general Jeff Congdon. Last week Congdon followed Nemelka with fifteen points. The forward wall for the Snow tilt will include Earl Ruffner and Steve Kramer — scoring 12 and 13 points respectively in the Utah fracas.

ON THE overall scoring ledger, forward Bill Ruffner leads the Kittens with a 19-point average. He is followed by Congdon with 17.0, Nemelka with 16.7, and Kramer with 13.7 points.

Y Grapplers Post Win; Bring Season to 5-1

by Mik Webster
Universe Sports Writer

The much improved Cat team returned from the Oregon trip with a respectable 2-1 mark. The most recent victory and the one which gave the Cougars their winning record was at the hands of Portland State College. Portland State who are touted as the power of the Coast in wrestling circles, fell to the invaders by a healthy 18-6 score.

IN THE FINAL action which took place in Portland Monday night, the Whitfield charges swept all but two positions in the eight weight match. They broke even in the exhibition matches, winning one and dropping one.

The Cats appeared a little tired after two matches in as many days, but they put on a strong finish to bring their season record to an enviable 5-1 mark.

THE CATS fell behind 3-0 when 123-pounder Bob Piper lost the match opening decision. Mike Young evened the count with a top-sided decision and set the stage for Mac Motokawa, wrestling one weight class above nor-

mal for the small grappler from Japan, to put the Cougars ahead for good when he decimated the defending Coast champion in the 137-pound division.

Larry Harding got back on the win trail after dropping three straight and added three more points to the Cougar score. Joe Lyman followed suit as did Jim Jory and the Brightons were out of reach 15-3.

DON COOK suffered the only other defeat for the determined matmen, but this was compensated for when Steve Goodsell posted his win by the decision route.

Results of the BYU-Portland State match are as follows:

BYU 18 — PSC 6
Wong dec. Piper 8-3
Young dec. Calhoun 13-5
Motokawa dec. Pettibohn 9-5
Hardin dec. Stoga 5-2
Lyman dec. Brown 5-2
Jory dec. Hidenaur 8-4
Simons dec. Cook 9-0
Goodsell dec. Penton 9-5
Exhibition Matches
Wright dec. Henlyjoi 4-2
Whitney dec. Jeffries 10-9

Sports Around the Globe

by Bud Tolman
Asst. Sports Editor

Mercury-footed Maury Willis romped off with another honor this week, the S. Ras Hisek Professional Athlete of the Year award.

THE LITTLE Los Angeles shortstop was awarded the \$10,000 gold-buckled, jeweled belt at the Rochester Press-Radio Club's annual charity dinner. He received 231 points in the award balloting which was 51 better than his closest challenger, Arnold Palmer and 90 more than Jim Taylor, Green Bay fallback, in third place.

Willis, a 157-pound bundle of lightning played a major role in the Dodgers's just-mixed pennant drive. His biggest contribution was his record 104 stolen bases, but he also rapped 298 runs, bating 229 and was the only major leaguer to play in the full 165 games. He was on base and off it so often opposing pitchers sometimes thought they were suffering from double vision.

Young Cassius Clay, the freestyle, third-ranked heavy-weight contender, will get another chance to make good his boast when he takes on Charley Powell of San Francisco in Pittsburgh on Thursday.

Clay has boldly predicted he will flatten the ex-San Francisco football star in the fifth round. Clay has made good on his boasts in the past with the most prominent his predicted fourth round knockout of Ancient Archie Moore.

The young heavyweight from Louisville has stated however

that if Powell gives him any trouble he will cut the fight short with an earlier KO. Clay is seeking his 17th consecutive win while Powell is after his 23rd victory.

CINCINNATI, which survived its toughest test so far in the season last Thursday with a 52-48 victory over Bradley, was the unanimous choice of the 35-man United Press International major college rating board today as the nation's No. 1 basketball team for the fifth straight week.

Loyola of Chicago, unbeaten in 16 games, again was picked the second best team, marking the fifth straight week the Ramblers have been chosen for the runner-up spot.

ILLINOIS, the Big Ten leader with a 12-1 overall record, remained third but Duke (12-2), the No. 1 team in the tough Atlantic Coast Conference, replaced Arizona State U. in fourth place, the two teams swapping positions from a week ago.

There was considerable other juggling in the lower half of the top 10 with Mississippi State (12-3) advancing from ninth to seventh behind Georgia Tech (12-1), Wichita (12-4) slipping from seventh to eighth, Stanford (12-3) advancing from 16th to ninth and West Virginia (12-3) from a 14th place tie to 10th.

COLORADO (11-3) moved up one position to head the second 10 grouping, Oregon State was 12th, Ohio State slipped to 13th, UCLA was 14th, Utah State was 15th, Auburn, Colorado State U. and DePaul tied for 18th and Miami (Fla.) and Niagara tied for 19th.

M-Men Cagers Near Regionals

In M-Men basketball action Monday night the 7th and 2nd Wards won the championships in their respective stakes, earning the right to play in the regional tourney.

IN THE BYU Stake the 7th Ward defeated the 25th Ward 45-25. The 28th Ward will play the 8th Ward, who defeated the 30th Ward 42-26, Wednesday for second place. The 2nd Ward won the BYU 2nd Stake Championship by beating the 28th Ward 60-45. The second place honor will go to the winner of a game between the 23rd and 12th Wards. The 12th Ward came out on top in a tilt with the 34th Ward 41-21.

The Third Stake Championship remains to be decided. The playoff will be between the 1st and 14th Wards, who on Monday beat the 24th and 37th Wards 59-62 and 33-22 respectively.

Biblical Drama Plays At Downtown Theater

Bringing to the widescreen in DeLuxe color the rich Biblical drama of the world's most notorious kingdom of sin and sacrifice, "Sodom and Gomorrah" is set to open Friday at the Paramount Theatre. This lavish multi-million dollar picture is a Titanus production which 20th Century-Fox is releasing.

In film, Stewart Granger stars as Lot, who leads the Hebrews into the Valley of the Jordan and into Sodom. He plays Lot, the wife who turns into a pillar of salt; Stanley Baker portrays Astaroth, Prince of Sodom; Rossana Podesta is Shuah, Lot's daughter; and Anouk Almee is Bera, the pleasure-mad Queen of Sodom.

A startling feeling of reality was gained by more than 100 days on location in Morocco out of the 11 months required to film this spectacular production. The City of Sodom, as seen in the picture, is actually a fortified desert village carved out of rock some 4000 years ago on the southern slope of the Atlas Mountains in southern Morocco.

Dance Slated For Game Fans

Game-goers will have a choice of two campus locations for dancing after the Utah State - BYU game Saturday.

The Ken Greene Combo will play at the Smith Family Living Center and a record hop will be at Cannon Center.

Admission is 25 cents per person and 50 cents per couple.

The dance, originally scheduled for Friday, has been changed for Saturday due to Saturday Finals.

Film Programs Idle Til Spring

There will be no films shown on either the Film Favorites or University Cinema programs until the beginning of Spring Semester.

Film Favorites will start with Otto Preminger's screen version of ANATOMY OF A MURDER on Wednesday, February 6. The coming semester's program features a wide variety of photoplays such as THE KING AND I, 1960, and MEIN KAMPE and promises to be even more popular than the past semester's schedule. MIDNIGHT LACE, THE EDDIE DUCHIN STORY, MAGNIFICENT OBSESSION, and ALL IS QUIET ON THE WESTERN FRONT hosted the highest attendance of the fall program.

Watch for...

Phi Chi Theta - Wednesday meeting cancelled. Open house, Feb. 6.

Theta Alpha - Regular meeting, 245 ESC, Wednesday, 6:30 p.m.

Mat Dance - Record hop, SFLC, 4:30 p.m. Wednesday.

Peace Corps Tests Given Saturday

A new battery of Peace Corps Placement Tests will be given throughout the nation Saturday at 8:30 a.m.

In Provo, the tests will be administered at the main post of

U. S. May Put

Men on Mars

By Century End

WASHINGTON, (UPI)—President Kennedy's chief science adviser said the United States probably will put men on Mars by the end of the century.

The statement was made by Dr. Jerome R. Wiesner, U. S. Director of Science and Technology, in a Voice of America radio interview. It was the first time that a top administration official had spoken publicly about plans for space colonization beyond the moon.

IT WOULD be "technically possible" to put men on Mars by 2000, he said, but this would involve an "unbelievable crash program" costing about \$100 billion. He implied that such a program would interfere with other space programs, including putting men on the moon.

Wiesner said the odds of whether life on Mars might be found before a manned landing. He said this could be done by sending recording devices or an unmanned spaceship to Mars.

Space flights would be undertaken not just for the sake of science, he said, but also for possible military implications. He did not detail what the military implications might be.

ministered at the main post of office, 85 W. 100 South, those who take the tests will be considered for many new Peace Corps projects in Latin America, Africa, the Far East, and in the Near East and South Asia, according to Douglas Kiker, chief of the public information division.

MOST of the jobs fall into field of education, agriculture, health, construction and community development.

Applicants must be American citizens at least 18 years of age. There is no upper age limit. Married couples without dependent children may apply providing both qualify for Peace Corps service.

Interested persons who have not yet filled out a Peace Corps questionnaire may take the tests on a space-available basis, and complete the questionnaire after the tests.

TWO TYPES of placement tests will be given. One is for a secondary or college teaching position. For this, a bachelor's degree is usually required, although the applicant need not be an accredited teacher.

The general examination is for all other Peace Corps assignments. However, an applicant may take the test for teachers in the morning and an additional test in the afternoon to be considered for other positions as well.

Many of the hundreds of different projects require technical skills. Some do not.

LIBERAL arts graduates, as an example, are often assigned to community development work.

after special training, or to teach English at the elementary school level, said Douglas Kiker, Chief of the Public Information Division.

People with general farm backgrounds might be assigned to agricultural projects without being highly skilled in any of the many agricultural specialties, he commented.
